CUES WTR III WHEELED & TRACKED TRANSFORMER TRANSPORTER

Transform your transporter to accommodate varying pipe conditions! The CUES WTR III offers the BEST of both worlds because it's an affordable and versatile transformer transporter that can operate with wheels or tracks. Distinguished as the first modular transporter in the CCTV pipeline inspection industry, the WTR III can be adapted to operate in varying, difficult, and hazardous pipelines ranging from 6" diameter relined pipe up to 30" pipes. Save time with the quick installation of wheels or tracks with single point removal. Save money since existing CUES wheel sets can be used on the transporter.

Various wheel sets and tracks are available to maximize performance. To learn more about the WTR III Transformer Transporter, [contact your CUES Regional Sales Manager](#).

WEQFAIR 2016

CUES exhibited at the 2016 WEQFAIR in Milwaukee. Check out the [Cole Publishing video](#) that features Pierre Mikhail, CUES Manhole Inspection Division Director, as he walks you through the features of four CUES cameras that can help you meet all your manhole inspection needs. To learn more about [CUES CCTV pipeline inspection equipment](#) or request a free demo, [contact your CUES Regional Sales Manager](#).

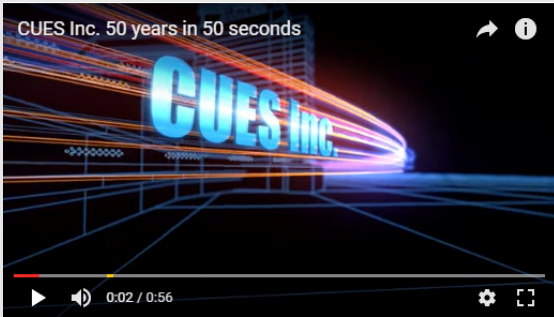

Come visit CUES at the 2017 WWETT Convention

Mark your calendars and make plans to visit CUES at the 2017 WWETT Show in Indiana on February 22nd -25th, 2017. The Water & Wastewater Equipment, Treatment & Transport show is the world's largest annual trade show for environmental service professionals. CUES will have exciting new innovations for the water/wastewater industry, as well as experts and top executives on hand to answer any questions you may have. Visit CUES in Booth # 5024. We hope to see you at the show! <https://wwettshow.com/>

NEW CUES TIPS Video - TV Cable Strain Relief

CUES has released a new CUES TIPS video! CUES TIPS videos are short, simple instructional videos or "tips" on the operation of CUES products. [Click here](#) to watch the CUES TV cable strain relief video on the CUES YouTube channel.

Don't forget to subscribe to the CUES YouTube Channel

[Subscribe to the CUES YouTube channel!](#) Here, you can get access to the latest CUES products, training, and company videos to aid your upcoming CCTV pipeline inspection projects for the water, wastewater and stormwater industries.

We are grateful for the pleasure of serving you and helping you meet your CCTV pipeline inspection equipment needs. During the holiday season, our thoughts turn gratefully to those who have made our progress possible. It is in this spirit that we say, "Thank you for being our valued customer and best wishes for the holidays and happy New Year."
