Visit CUES at the 2018 WWETT Show

THE INDUSTRY MARKETPLACE

Mark your calendars and make plans to visit CUES at the **2018 WWETT Show** in Indiana on February 22nd -24th, 2018. The Water & Wastewater Equipment, Treatment & Transport show is the world's largest annual trade show for environmental service professionals. CUES will have exciting new innovations for the water/wastewater industry, as well as experts and top executives on hand to answer any questions you may have. Visit CUES in Booth #5024. We hope to see you at the show! To learn more about CUES products, [contact your CUES Regional Sales Manager](#).

CUES PICS CROSS BORE INSPECTION CAMERA

The **CUES PICS** 2" to 4" bore hole inspection camera helps eliminate cross bores in your directional drilling operations. The PICS robust inspection capabilities provide a powerful way to inspect, assess, mitigate, record and manage your HDD operation. The PICS Pullback Inspection Camera System is compatible with the entire CUES cross bore inspection platform that includes GraniteNet Gas software, sewer main and lateral inspection, and robotic lateral launch for pre and post inspection of sanitary and storm laterals. To learn more about PICS, contact your **CUES Regional Sales Manager**.

CUES Annual Municipal Grout School

Avanti International, CUES Inc., and Logiball Inc., are partnering together for its annual 2-Day Operator Grout Training in Orlando, Florida, on March 14-15, 2018. Learn hands on skills for grouting mains, laterals and manholes in wastewater and storm water structures. (10) PDH Credits for (10) Professional Development Hours (PDH) certified by the Florida Board of Professional Engineers (FBPE). Classes sell out early, so [click here to register](#) and book your hotel room.
