Welcome to **CUES** News

We've got you covered!

CUES is proud to be the only company in the industry that offers several different camera models designed for use in any application or structure you might encounter! The CUES Manhole Inspection Vehicle (MIV) is designed to operate all CUES manhole cameras with a user-friendly interchange mounting bracket. In addition, the MIV is the only vehicle in the industry that can inspect most types of structures, such as sanitary/storm manholes and pipelines, lift stations, gravity interceptor pipelines, vaults, outfalls, and more! To learn more about CUES MIV inspection vehicles, [contact your CUES Regional Sales Manager](#).

Visit the CUES Website

Did you know?

As the largest manufacturer of pipeline inspection and rehabilitation equipment, CUES produces over 200 custom pipeline inspection and rehabilitation vehicles each year. With over 70 years of combined pipeline inspection truck design experience in our vehicle design group, CUES continues to build the best trucks in the industry, as quickly as possible, for our customers' needs. Come visit CUES at the Florida Section of the American Water Works Association Conference

CUES will attend the [FSAWWA Conference](#) in Orlando on November 27th - December 1, 2016. The FSAWWA Fall Conference provides an opportunity for utility managers, directors, and operators, to stay current on relevant topics and new technologies. CUES will have exciting innovations for the water/wastewater industry, as well as experts and top executives on hand to answer any questions you may have. We hope to see you at the conference!

Check out the first CUES TIPS Video

CUES has released it's first CUES TIPS video! CUES TIPS videos are short, simple instructional videos or "tips" on the operation of CUES products. [Click here](#) to watch the CUES HD connector mating instructions video on the CUES YouTube channel.

Don't forget to subscribe to the CUES YouTube Channel

[Subscribe to the CUES YouTube channel!](#)
Here, you can get access to the latest CUES products, training, and company videos to aid your upcoming CCTV pipeline inspection projects for the water, wastewater and stormwater industries.

Thank you for being our valued customer! We are grateful for the pleasure of serving you and helping you meet your CCTV pipeline inspection equipment needs. CUES wishes you and your family a very Happy Thanksgiving!
